

BARTRAM'S GARDEN PLANT NURSERY HIGHLIGHTS 2025

Shop in person at Bartram's Garden beginning April 19
Thank you for supporting the Garden!

Shop On-Site and Online Beginning April 19 at Spring Fest!

Greetings from the Bartram's Garden Nursery!

We're excited to share with you a timeline for our plant sale this season.

There will be additional botanical bounty to share, so please continue to look out for information throughout the season. We hope the overview below is helpful!

Spring Fest - Saturday, April 19

We kick off the season with a robust array of perennial flowers, grasses, woody plants, vines, and staple garden herbs; as well as specialty herbs, spring and summer veggies, aquatic plants, and annual flowers to get your garden started!

Mother's Day - Saturday, May 10 & Sunday, May 11

Celebrate Mother's Day with botanical beauty! Peruse our selection of plants and seeds to grow in your garden or share as a gift from our extensive collection of flowers and kitchen garden crops. All seeds will be on sale through the weekend and annual flowers will be freshly restocked with new featured plants. Check back in for more details in May.

Juneteenth - Sunday, June 22

We restock the sales floor with summer vegetable crops and a refreshed selection of herbs to fill out your garden before the summer heat is in full swing. Stay tuned in June for more information about featured crops on offer, as well as discounts prioritizing Southwest Philly residents in honor of the holiday.

Fall Plant Sale - Sunday, September 14

The nursery restocks perennials, grasses, trees, and shrubs with an eye toward fall planting and pollinator garden design, plus fall veggies and herbs for the kitchen garden. In September, keep an eye out for more information about planning a pollinator garden, pollinator garden package discounts, and featured plants for fall planting!

Indigenous People's Day - Sunday, October 12

Our end-of-season sale begins. Lasting through Friday, October 24 select inventory will be offered at discounted rates to all customers. More details to come in October!

Handmade Holidays - Saturday, December 6

Our final sale of the season! We offer pine roping, our signature, exquisite botanical wreaths, festive houseplants, and a spectacular variety of seeds collected from the garden to support your holiday shopping endeavors. You'll be hearing more from us about holiday offerings in November, so look out for updates.

Happy spring! We're looking forward to seeing you at the Garden this season!

The following plant nursery highlights have been selected by the growers at Bartram's Garden and Sankofa Community Farm at Bartram's Garden. The assemblage of highlighted plants is meant to help connect you to the spirit of the past, present, and future of these grounds and beyond.

From plants that made these lands their home for centuries, to crops that were brought from overseas through trade or through the forced or voluntary movement of peoples, plants tell stories about who we have been, who we are, and who we can become. We are a place of many stories and we invite you to grow with us!

Beginning April 19, visit our Welcome Center and nursery sales floor during SpringFest, our free annual celebration of spring to shop in person between 9:30am and 4:30pm.

Directions to Bartram's Garden are available at bartramsgarden.org/directions.

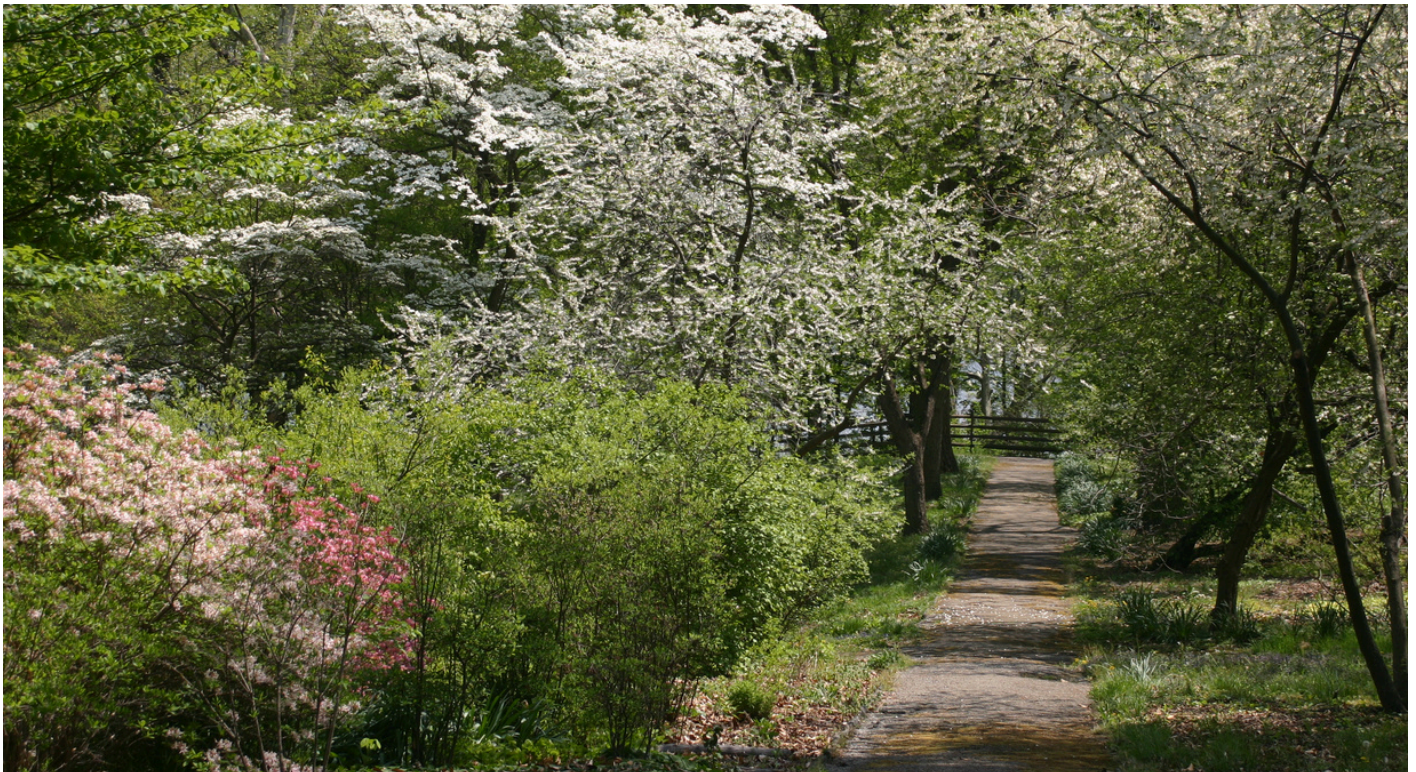

If you need assistance loading plants into a vehicle, please let us know!

Stay tuned for the arrival of more seasonally appropriate plants as temperatures rise!

PLEASE NOTE: To make sure that your garden is as healthy as possible, plants will be available for sale only when seasonally appropriate.

More plants will be offered as the season continues, and not all plants in this catalog will be available at the same time.

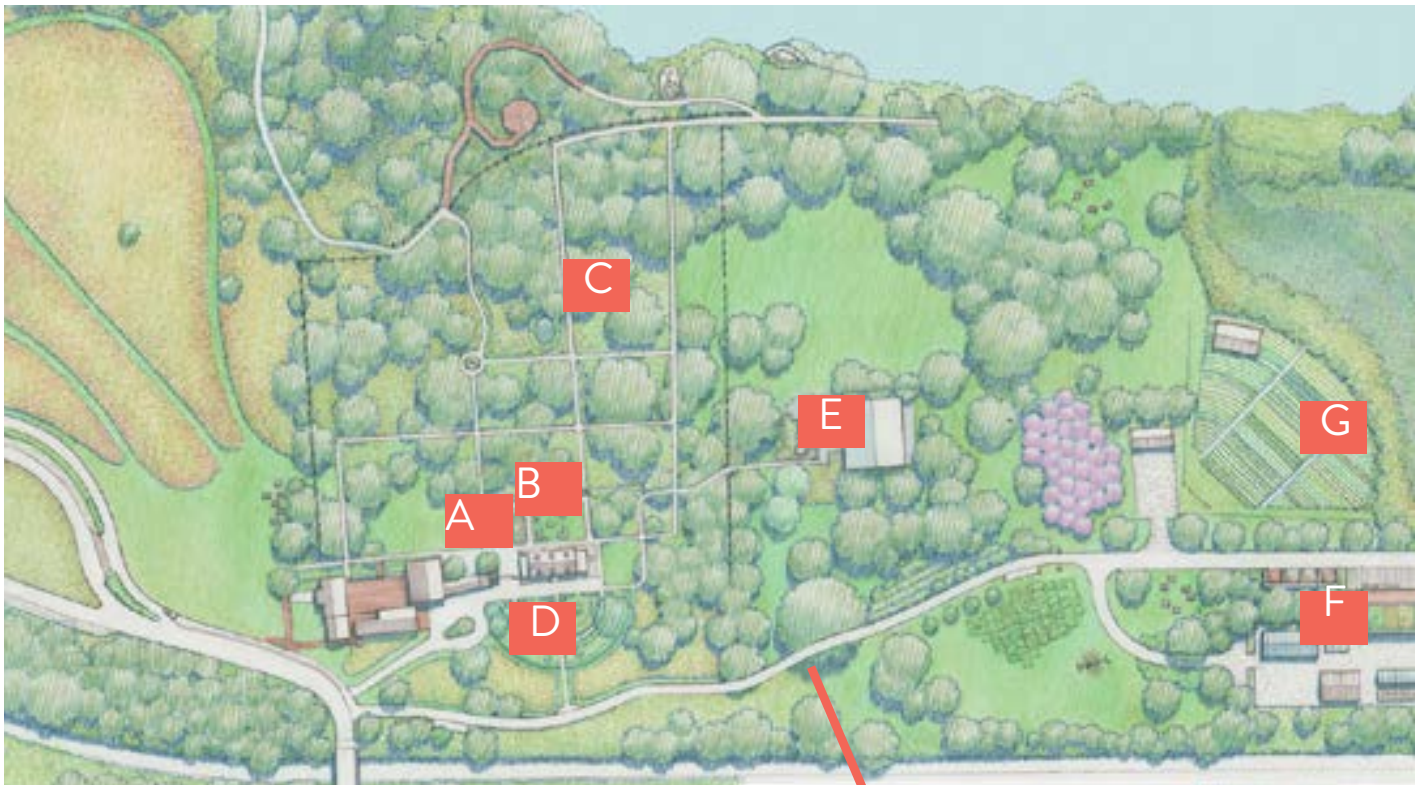

If you have questions about when to purchase a particular plant, please let us know.

D. Ann Bartram Carr Garden E. Eastwick Pavilion F. Greenhouse and Nursery
G. Sankofa Community Farm

Kitchen Garden Classics

The Upper Kitchen Garden includes examples of plants a family could have grown to sustain their needs in a Philadelphia garden prior to 1830. We include plants that were new and unusual introductions to this continent, such as tomatoes and peppers.

A typical kitchen garden prior to the mid-nineteenth century would have included a variety of what were referred to as “herbs”: vegetables, plants used in dyeing and textiles, medicinal and culinary plants, and plants used for cosmetics and household cleaners. Today, we grow a mix of all these categories, as well as seed crops to help preserve varieties that have survived from this time.

Vegetables

Fish pepper - *Capsicum annuum*

Speckled trout lettuce - *Latuca sativa*

Plait de Haiti tomato - *Solanum lycopersicum*

Herbs

Blue hidcote lavender - *Lavandula angustifolia*

Bronze fennel - *Foeniculum vulgare*

Chamomile - *Maticaria chamomilla*

Pot Marigold - *Calendula officinalis*

Common Flower Garden Offerings

The Common Flower Garden is sited on the Schuylkill-facing side of the Bartrams' home, directly across from their front porch. It contains both native and newly introduced species of flowering plants.

During the 18th and 19th centuries, plants were shared with the Bartrams from all over the world; this garden is curated to represent their most intriguing specimens.

Annuals

Harlequin marigold - *Tagetes patula*
Peruvian zinnia - *Zinnia peruviana*
Sensitive Plant - *Mimosa pudica*

Tender Bulbs/Houseplants

Aztec Lily - *Sprekelia formosissima*

Perennials

Blue cardinal flower - *Lobelia cardinalis*
Blue flag- *Iris versicolor*
Carolina lupine - *Thermopsis villosa*
Garden phlox- *Phlox paniculata*
Obedient plant - *Phytostegia virginiana*

Wilderness Garden Varieties

The Wilderness Garden includes a series of gardens and groves between the more formal Upper Gardens and the riverfront. Though there is limited historical information about how this part of the site looked in the Bartrams' time, wilderness gardens like this were a popular style in 18th-century European estate gardening. John Bartram's nursery was one of the earliest commercial enterprises to sell North American plants as individuals or fragments.

The family made great efforts to observe and record details of relationships within the plants' original habitat, sometimes but not always noting ethnobotanical relationships. Today's designs are based on studying natural ecosystems, the Bartrams' letters, and nursery catalogs of the time. Books from the Bartrams' library and knowledge gained from Indigenous First Nations of North America from the territories where these plants were collected also inform the design.

Aquatics

Fragrant waterlily - *Nymphaea odorata*
Cranberry - *Vaccinium* subg. *Oxycoccus*
Lizards tail - *Saururus cernuus*
Cattail - *Typha latifolia*

Shrubs

Oakleaf Hydrangea - *Hydrangea quercifolia*
Elderberry - *Sambucus canadensis*

Trees

Red flowering horsechestnut - *Aesculus pavia*
American witchhazel - *Hamamelis virginiana*

Flowering Dogwood - *Cornus florida*
Redbud - *Cercis canadensis*

Vines

American wisteria - *Wisteria frutescens*
Crossvine - *Bignonia capreolata*

Perennials

Wild ginger - *Asarum canadense*
Eastern columbine - *Aquilegia canadensis*
Golden alexander - *Zizia aurea*
Golden Ragwort - *Packera aurea*
Cup plant - *Silphium perfoliatum*

Ann Bartram Carr Garden Choices

When you step into the Ann Bartram Carr Garden you are entering an interpretation of an early 19th-century public exhibition garden. Named for John Bartram's granddaughter Ann Bartram Carr, who first established this garden space as a public entrance to Bartram's Garden, it was designed to feature newly imported plant species from around the globe alongside the most fashionable plants of the time.

In this garden, you can find living examples of that moment in plant history, and observe the wildlife that still depends on many of these plants today.

Perennials

Aromatic aster - *Aster oblongifolius*
Castor bean - *Ricinus communis*
Globe amaranth - *Gomphrena globosa*
Jerusalem sage - *Phlomis fruticosa*
Seashell cosmos - *Cosmos bipinnatus*
Seashore mallow - *Kosteletzkya virginica*

Shrubs

Damask Rose - *Rosa damascena* x *gallica* 'Lafayette'
Rosa 'Tuscany superb'

Tender Bulbs or Houseplants

Scented geranium - *Pelargonium* sp.

Trees

Pomegranate - *Punica granatum*

Shop in person at Bartram's Garden beginning April 19. Plants will be available only when seasonally appropriate. Not all plants in this catalogue will be available at the same time of year.

Greenhouse and Nursery Plant Picks

There were once as many as ten greenhouses around the main house at Bartram's Garden. Beginning in 1760, the first greenhouse was heated by a Franklin stove; later greenhouses were heated with wood fires or, after 1820, anthracite coal. Today, the working greenhouses are insulated with plastic bubbles and heated with electric overhead heaters, sequestered in the southwest portion of the Garden.

Currently, there are two greenhouses for Bartram's Garden and the Sankofa Community Farm along with floor space to raise nursery crops. The plants grown in the Bartram's Greenhouse are for either the landscape or for nursery sales to the general public—like you! Nursery offerings change seasonally as we increase the diversity of what we cultivate. The seed and plant trade lives on!

Vegetables

Aji dulce pepper - *Capsicum chinese*
Alabama blue collards - *Brassica oleracea*
Mortgage lifter tomato - *Solanum lycopersicum*
Parisian pickling cucumber - *Cucumis sativus*

Fruiting Shrubs

Beach plum - *Prunus maritima*
Highbush blueberry- *Vaccinium corymbosom*
'Blue crop'

Eastwick Pavilion Moon Garden

Many of the plants that are grown at Bartram's Garden play an integral role in the surrounding environment and our health. Some of these plants, such as pollinator plants, support our food web and nurture the ecosystem. Pollinator plants provide nectar for insects and birds.

They provide havens for predator insects that keep other insect populations at bay that may devour our crops. The moon garden at the Eastwick Pavilion is specifically planted for moths and other night-time pollinators attracted to plants that are pale colored and night blooming or night scented.

Tender Perennials

Curry plant - *Helichrysum italicum*

English lavender- *Lavandula angustifolia*

Shop in person at Bartram's Garden beginning April 19. Plants will be available only when seasonally appropriate. Not all plants in this catalogue will be available at the same time of year.

Sankofa Vegetable Selections

Sankofa Community Farm at Bartram's Garden is a 3.5-acre production and teaching farm rooted in the experience of the African Diaspora in Southwest Philly. For a decade, Sankofa has worked in a unique partnership with Bartram's Garden and our community youth and elders to connect around foodways, culture, and healing of body, mind and soul.

We are a spiritually-rooted farm, honoring the varied wisdom and spiritual practices of our ancestors. Sankofa Community Farm prioritizes natural agriculture techniques in our farming and we specialize in the raising of crops of the African and African-American Diaspora. As a practice of community healing we provide and teach about the crops that have identified and sustained our community over centuries.

Vegetables

Callaloo brunch plant - *Amaranthus viridis*

Florida broadleaf mustard - *Brassica juncea*

Okra - *Abelmoschus esculentus*

Luffa - *Luffa aegyptiaca*

All Plants Available

Plants include:

Annuals | Aquatics | Ferns | Fruit Trees & Shrubs | Grasses | Herbs
Shrubs | Spring & Summer Vegetables | Sun & Shade Perennials | Trees | Vines

Shop in person at Bartram's Garden beginning April 19 at Spring Fest!
Stay tuned for more plants arriving with warmer weather including tomatoes, peppers and select herbs; veggies from Sankofa Community Farm; indigenous plants started from seed; and more!

Need help selecting plants? How much sun do you get?

Look for a plant's sun/shade indicator to make sure it will work for you!

- Sun Plants (S): 6+ hours of direct sunlight, not shaded by a tree/building
- Part Sun Plants (PS): 4–6 hours of direct sun, plant may get some shade
- Shade Plants (SH): 3 hours of sun or less

Annuals

Sun/Shade Indicator

Amaranthus caudatus	Love lies bleeding	S, PS
Cosmos atrosanguineus 'Black magic'	Black magic cosmos	S
Cosmos sulphureus	Orange cosmos	S, PS
Dracopis amplexicaulis	Clasping coneflower	S
Pelargonium 'Citronella'	Citronella scented geranium	S, PS
Pelargonium fragrans 'Variegatum'	Variegated nutmeg geranium	S, PS
Pelargonium crispum 'Cy's sunburst'	Cy's sunburst geranium	S, PS
Gomphrena globosa	Globe amaranth	S
Helianthus annuus	Procut plum sunflower	S
Impatiens balsamina	Balsam impatiens	S
Mimosa pudica	Sensitive plant	S
Nicotiana glauca	Woodland tobacco	S, PS
Ricinus communis	Castor bean	S
Tagetes erecta	Cempaxochitl orange marigold	S, PS
Tagetes patula	Harlequin marigold	S
Tithonia rotundifolia	Mexican sunflower	S
Tropaeolum majus	Orchid cream nasturtium	S
Tropaeolum majus	Black velvet nasturtium	S
Xerochrysum bracteatum	Strawflower	S
Zinnia elegans	Giant salmon rose zinnia	S
Zinnia peruviana	Peruvian zinnia	S

Shop in person at Bartram's Garden beginning April 19. Plants will be available only when seasonally appropriate. Not all plants in this catalogue will be available at the same time of year.

Aquatics

Acorus calamus	Sweetflag	S, PS
Juncus effusus	Soft rush	S
Pontedaria cordata	Pickernelweed	S
Saururus cernuus	Lizard tail	S, PS
Typha sp.	Cattail	S, PS
Nymphaea odorata	Fragrant water lily	S
Nelumbo lutea	American lotus	S, PS

Ferns

Adiantum pedatum	Northern maidenhair fern	FS, PS
Athyrium filix-femina	Northern lady fern	FS, PS
Athyrium filix-femina var. angustum	Northern lady fern 'Lady in red'	FS, PS
Dryopteris goldiana	Goldie's wood fern	PS, FS
Onoclea sensibilis	Sensitive fern	FS, S
Osmunda regalis var. spectabilis	Royal fern	FS, PS
Polystichum acrostichoides	Christmas fern	FS, PS

Fruit Trees & Shrubs

Amelanchier canadensis	Serviceberry	S, PS
Ficus carica	Common fig	S, PS
Prunus maritima	Beach plum	S
Punica granatum	Pomegranate	S
Sambucus canadensis	Elderberry	S, PS
Diospyros virginiana	Common persimmon	S, PS
Vaccinium corymbosum 'Blue Crop'	Highbush blueberry 'Blue crop'	S, PS

Grasses

Andropogon gerardii	Big bluestem	S
Bouteloua gracilis	Blue grama	S
Carex appalachica	Appalachian sedge	FS, PS
Carex leavenworthii	Lawn sedge	FS, PS
Carex pensylvanica	Pennsylvania sedge	FS, PS
Carex vulpinoidea	Fox sedge	PS, S
Deschampsia cespitosa	Tufted hairgrass	PS

Grasses cont.

<i>Elymus hystrix</i>	Bottlebrush grass	S, PS
<i>Eragrostis spectabilis</i>	Purple lovegrass	S
<i>Muhlenbergia capillaris</i>	Pink Muhleygrass	PS, S
<i>Panicum virgatum</i>	Switchgrass	S, PS
<i>Schizachyrium scoparium</i>	Little bluestem	S
<i>Sporobolus heterolepis</i>	Prairie dropseed	S

Herbs

<i>Agastache foeniculum</i>	Anise hyssop	S, PS
<i>Allium schoenoprasum</i>	Chives	S, PS
<i>Aloysia citriodora</i>	Lemon verbena	S
<i>Althea officinalis</i>	Marshmallow	S
<i>Anethum graveolens</i>	Dill	S
<i>Calendula officinalis</i>	Calendula	S, PS
<i>Chamaemelum nobile</i>	Roman chamomile	S, PS
<i>Coriandrum sativum</i>	Cilantro	S, PS
<i>Cymbopogon citratus</i>	Lemongrass	S
<i>Echinacea purpurea</i>	Purple coneflower	S, PS
<i>Elletaria cardamomum</i>	Dwarf classic Cardamom	PS
<i>Eucalyptus globulus</i>	Baby blue Eucalyptus	S
<i>Foeniculum vulgare</i>	Bronze fennel	S
<i>Glebionis coronaria</i>	Tong ho (big leaf)	S, PS
<i>Helichrysum italicum</i>	Curry plant	S
<i>Laurus nobilis</i>	Bay laurel	S, PS

Herbs cont.

Sun/Shade Indicator

Lavandula angustifolia 'Blue hidcote'	Blue hidcote lavender	S
Lavandula angustifolia 'Munstead'	Munstead lavender	S
Lavandula intermedia 'Melissa lilac'	Melissa lilac lavender	S
Mentha spicata	Spearmint	S, PS
Mentha x piperita	Peppermint	S, PS
Ocimum basilicum 'Prospera red'	Prosera red basil	S
Ocimum basilicum var. thyrsoflora	Thai basil	S
Ocimum basilicum	Sweet basil	S
ocimum basilicum 'Genovese'	Genovese basil	S
ocimum basilicum 'Persian purple'	Persian purple basil	S
Petroselinum crispum	Giant of italy parsley	S, PS
Petroselinum crispum var. neapolitanum	Italian flat leaf parsley	S, PS
Rosmarinus officinalis	Rosemary upright	S
Ruta graveolens	Rue	S
Salvia apiana	White sage	S, PS
Salvia officinalis 'Aurea'	Golden sage	S
Salvia officinalis 'Garden grey'	Garden grey sage	S
Thymus vulgaris	French thyme	S
Thymus x citriodorus	Lemon thyme	S
Valeriana officinalis	Valerian	S
Zingiber officinale	Ginger	PS, S

Shrubs

Aesculus parviflora	Bottlebrush buckeye	PS, FS
Baccharis halimifolia	Saltbush	S
Cephalanthus occidentalis	Buttonbush	PS, S
Clethra alnifolia	Sweet pepperbush	PS, S
Cornus racemosa	Grey dogwood	S, PS
Hydrangea arborescens	Smooth hydrangea	PS
Hydrangea quercifolia	Oakleaf hydrangea	PS, S

Shrubs cont.

Sun/Shade Indicator

Hypericum prolificum	Shrubby St. John's wort	PS, S
Ilex vomitoria	Yaupon	S, PS
Lindera benzoin	Spicebush	PS, S
Rhododendron 'English roseum'	English roseum azalea	PS, FS
Rhododendron arborescens	Sweet azalea	PS
Rhododendron calendulaceum	Flame azalea	PS
Rhododendron 'Purpureum elegans'	Purpureum elegans azalea	PS, FS
Rhus copallinum	Shining sumac	PS, S
Rubus odoratus	Flowering raspberry	PS, S
Spiraea alba var. latifolia	Broadleaf meadowsweet	S, PS
Viburnum dentatum	Arrowwood viburnum	S, PS
Viburnum prunifolium	Blackhaw	PS, S
Viburnum opulus var. americanum	American cranberrybush	S, PS
Xanthorhiza simplissima	Yellowroot	PS, S

Spring Vegetables

Brassica napus var. pabularia	Red russian kale	S
Brassica juncea 'Green wave'	Green wave mustard	S
Brassica napus 'Dwarf blue curled scotch'	Dwarf blue curled scotch kale	S
Brassica oleracea 'Alabama blue'	Alabama blue collards	S
Brassica oleracea 'Georgia southern'	Georgia southern collards	S
Brassica oleracea 'Nero di toscana'	Tuscano kale	S
Brassica oleracea var. gemmifera	Long Island improved brussels sprouts	S
Brassica rapa	Japanese red mizuna	S
Lactuca sativa 'Speckled Trout'	Speckled trout lettuce	S
Lactuca sativa 'Allstar gourmet'	Allstar gourmet lettuce mix	S
Lactuca sativa 'Landis Winter'	Landis winter lettuce	S
Spinacia oleracea 'Monstrueux de Viroflay'	Monstrueux De Viroflay spinach	S
Spinacia oleracea 'Bloomsdale long-standing'	Bloomsdale long-standing spinach	S

Summer Vegetables

Sun/Shade Indicator

Cajanus cajan	Pigeon pea	S
Capsicum annuum 'Anaheim hot'	Anaheim hot pepper	S
Capsicum annuum 'Doe hill'	Doe hill pepper	S
Capsicum annuum 'Fish pepper'	Fish pepper	S
Capsicum annuum 'King of the north'	King of the north sweet pepper	S
Capsicum annuum 'Willing's barbados'	Willings barbados pepper	S
Capsicum chinense 'Aji dulce'	Aji Dulce pepper	S
Capsicum frutescens "Piri piri"	Piri piri pepper	S
Citrullus lanatus 'Georgia rattlesnake'	Georgia rattlesnake Watermelon	S
Citrullus lanatus 'Leelanau Sweetglo'	Leelanau sweetglo watermelon	S
Cucumis melo	Small persian cantelope	S
Cucumis sativus 'China jade'	China jade cucumber	S
Cucumis sativus 'Early Fortune'	Early fortune cucumber	S
Cucumis sativus 'Parisian pickling'	Parisian pickling cucumber	S
Cucumis sativus 'True lemon'	True lemon cucumber	S
Cucurbita moschata 'Waltham'	Waltham butternut squash	S
Cucurbita pepo 'Delicata'	Delicata squash	S
Cucurbita pepo	Golden zucchini	S
Phaseolus lunatus	Carolina lima	S
Phaseolus vulgaris	Kingsessing bean	S
Phaseolus vulgaris	Purple dove bush bean	S
Physalis pruinosa 'Aunt Molly's'	Aunt Molly's ground cherry	S
Sesamum indicum	Benne Sesame	S
Solanum lycopersicum 'Black cherry'	Black cherry tomato	S
Solanum lycopersicum 'Brandywine cherry'	Brandywine cherry tomato	S
Solanum lycopersicum 'Brad's atomic grape'	Brad's atomic grape tomato	S
Solanum lycopersicum 'Lemon drop'	Lemon drop cherry tomato	S
Solanum lycopersicum 'Plait de Haiti'	Plait de Haiti tomato	S

Summer vegetables cont.

Sun/Shade Indicator

<i>Solanum lycopersicum</i> 'Principe borghese'	Principe borghese tomato	S
<i>Solanum lycopersicum</i> 'San marzano'	San marzano tomato	S
<i>Solanum melongena</i>	Ischia eggplant	S

Shade Perennials

<i>Aquilegia canadensis</i>	Eastern columbine	PS, S
<i>Asarum canadense</i>	Wild ginger	PS, FS
<i>Aster cordifolius</i>	Blue wood aster	PS, S
<i>Chelone glabra</i>	White turtlehead	PS
<i>Dicentra eximia</i>	Bleeding heart	PS
<i>Eupatorium coelestinum</i>	Blue mistflower	PS, S
<i>Geranium maculatum</i>	Spotted geranium	PS, S
<i>Heuchera americana</i> 'Dale's strain'	American alumroot	PS, FS
<i>Lobelia cardinalis</i>	Red cardinal flower	PS, S
<i>Lobelia siphilitica</i>	Great blue lobelia	S, PS, FS
<i>Mertensia virginica</i>	Virginia bluebells	PS, FS
<i>Packera aurea</i>	Golden ragwort	PS, S
<i>Penstemon digitalis</i>	Beardtongue	PS, S
<i>Phlox divaricata</i>	Woodland phlox	PS
<i>Phlox maculata</i>	Meadow phlox	S, PS
<i>Polemonium reptans</i>	Jacob's ladder	PS
<i>Polygonatum biflorum</i>	Solomon's seal	PS
<i>Sedum ternatum</i>	Woodland stonecrop	PS
<i>Solidago caesia</i>	Bluestemmed goldenrod	PS, FS
<i>Solidago flexicaulis</i>	Zig-zag goldenrod	FS, PS
<i>Stylophorum diphyllum</i>	Celandine poppy	FS, PS
<i>Tiarella cordifolia</i> 'Brandywine'	Foamflower	FS, PS
<i>Tradescantia virginiana</i>	Virginia spiderwort	PS, S
<i>Zizia aurea</i>	Golden alexander	PS, S

Sun Perennials

<i>Asclepias incarnata</i>	Swamp milkweed	S
<i>Asclepias incarnata</i> 'ice ballet'	Ice ballet milkweed	S
<i>Asclepias tuberosa</i>	Butterfly weed	S
<i>Aster laevis</i>	Smooth aster	S
<i>Aster novi-belgii</i>	New York aster	S
<i>Aster oblongifolius</i>	Aromatic aster	S

Sun perennials cont.

Sun/Shade Indicator

Baptisia australis	False indigo	S, PS
Baptisia tinctoria	Yellow rattlebush	S, PS
Calirhoe involucrata	Winecup	S
Coreopsis tripteris	Tall coreopsis	S
Echinacea pallida	Pale purple coneflower	S, PS
Eryngium yuccifolium	Rattlesnake master	S
Eupatorium maculatum	Spotted joe pye weed	S
Eupatorium perfoliatum	Common boneset	S
Eupatorium purpureum	Sweet joe pye weed	S, PS
Geranium macrorrhizum	Bigroot geranium	S, PS
Helenium autumnale	Common sneezeweed	S
Helianthus angustifolius	Swamp sunflower	S, PS
Iris fulva	Copper iris	S, PS
Iris pallida	Dalmation iris	S, PS
Iris versicolor	Blue flag	S, PS
Monarda didyma	Bee balm	S, PS
Parthenium integrifolium	Wild quinine	S
Phlomis fruticosa	Jerusalem sage	S
Phlox paniculata	Garden phlox	S, PS
Phlox subulata 'red wings'	Creeping phlox	S
Physostegia virginiana	Obedient plant	S
Pycnanthemum muticum	Mountain mint	S, PS
Rudbeckia hirta	Black-eyed susan	S, PS
Salvia coccinea	Scarlet sage	S, PS
Solidago odora	Sweet goldenrod	S, PS
Solidago rugosa	Rough goldenrod	S
Solidago speciosa	Showy goldenrod	S
Stachys byzantina	Lamb's ear	S
Thermopsis villosa	Carolina lupine	S
Vernonia noveboracensis	New York ironweed	S
Veronicastrum virginicum	Culver's root	S

Trees

Aesculus pavia	Red flowering horse chestnut	PS, S
Betula nigra	River birch	S, PS
Carpinus caroliniana	American hornbeam	FS, PS
Celtis occidentalis	Hackberry	S, PS
Cercis canadensis	Eastern redbud	S, PS
Cladrastis kentuckea	Yellowwood	S

Trees cont.

Cornus florida	Flowering dogwood	S, PS
Cornus florida 'cherokee brave'	Cherokee brave dogwood	S, PS
Corylus americana	American hazelnut	S, PS
Franklinia alatamaha	Ben Franklin tree	S, PS
Gleditsia triacanthus	Honey locust	S
Hamamelis virginiana	American witch hazel	S, PS
Liriodendron tulipifera	Tulip poplar	S
Magnolia virginiana	Sweetbay magnolia	S, PS
Oxydendrum arboreum	Sourwood	S, PS
Quercus bicolor	Swamp white oak	S
Quercus palustris	Swamp spanish oak	S
Salix alba	White willow	S, PS
Taxodium distichum	Bald cypress	S
Tilia americana	American linden	S, PS
Zanthoxylum americanum	Prickly ash	S, PS

Vines

Bignonia capreolata	Crossvine	S, PS
Campsis radicans	Trumpet creeper	S, PS
Clematis virginiana	Woodbine	S, PS
Dioscorea villosa	Wild yam vine	S, PS
Gelsemium sempervirens	Carolina jessamine	S
Lonicera sempervirens	Coral honeysuckle	S
Wisteria frutescens	American wisteria	S
